

Design System: Foundations & Tokens

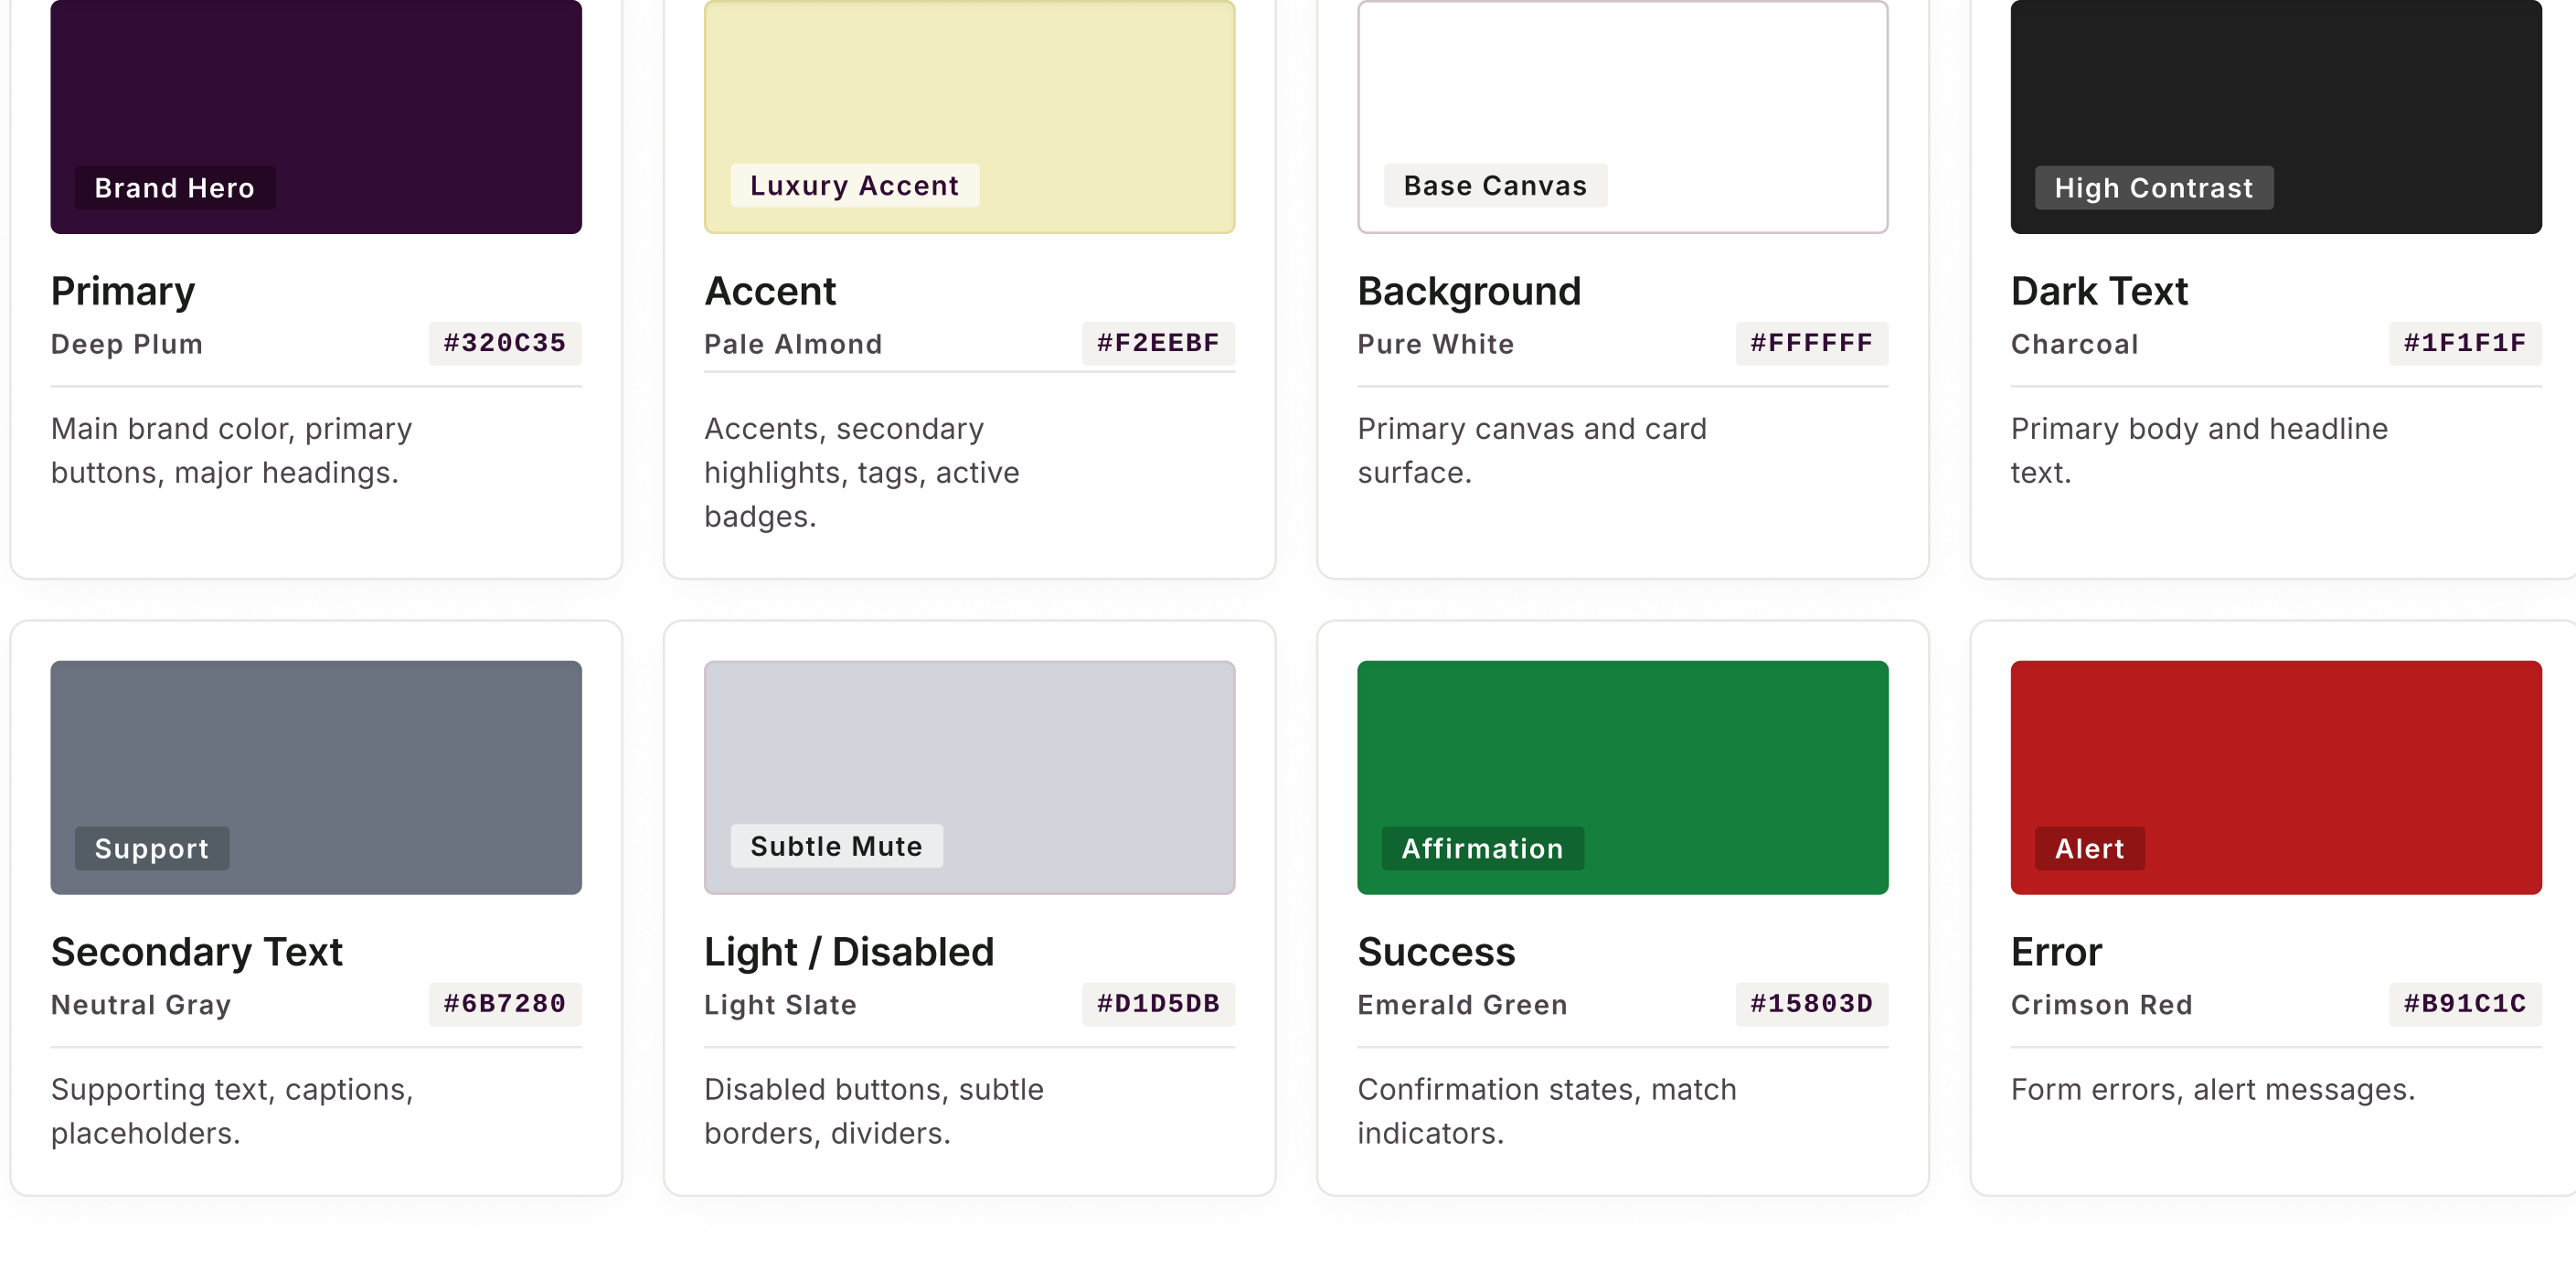

A simple, clean, and reusable design system foundation for the Adorna styling app.

FOUNDATION 01

Color System

Strict minimal palette calibrated for bespoke digital atelier interfaces.

8 Global Swatches

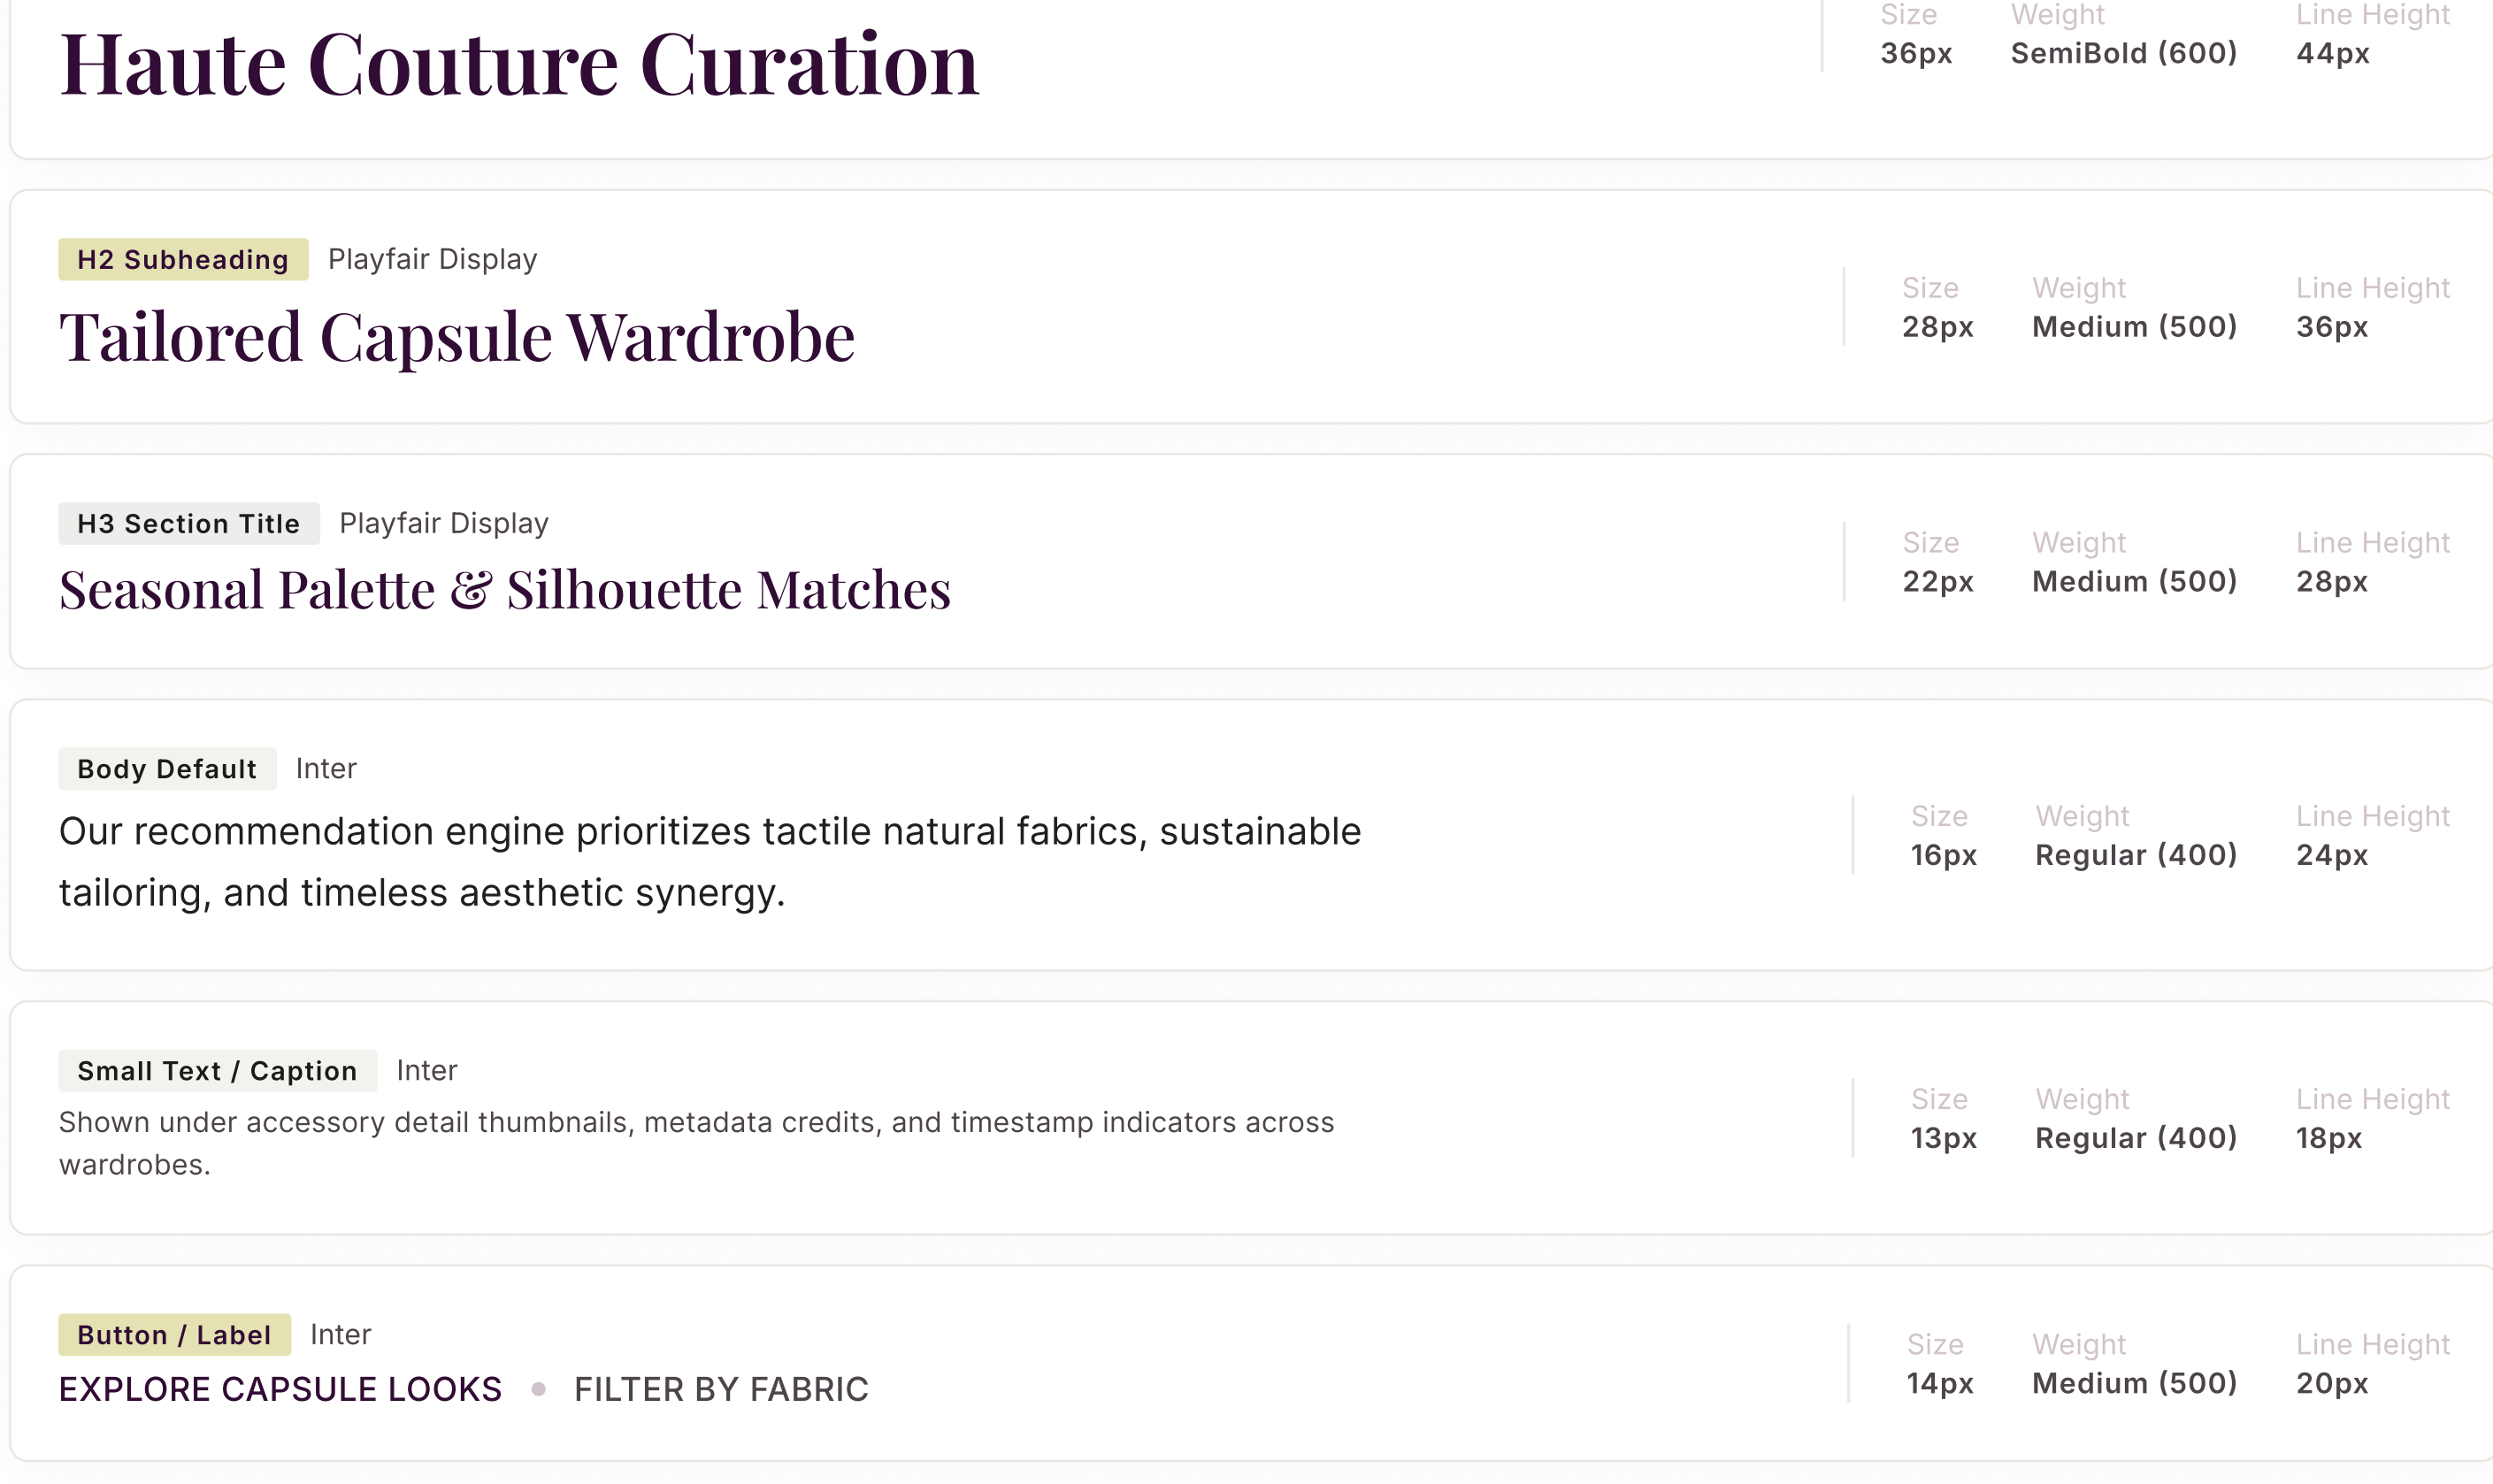

FOUNDATION 02

Typography Hierarchy

Harmonious duality pairing editorial serif authority with crisp UI sans-serif clarity.

Playfair Display + Inter

FOUNDATION 03

Spacing Scale (4px Base)

Regimented rhythm ensuring intentional breathability and harmonic layout alignment.

Base: 4px

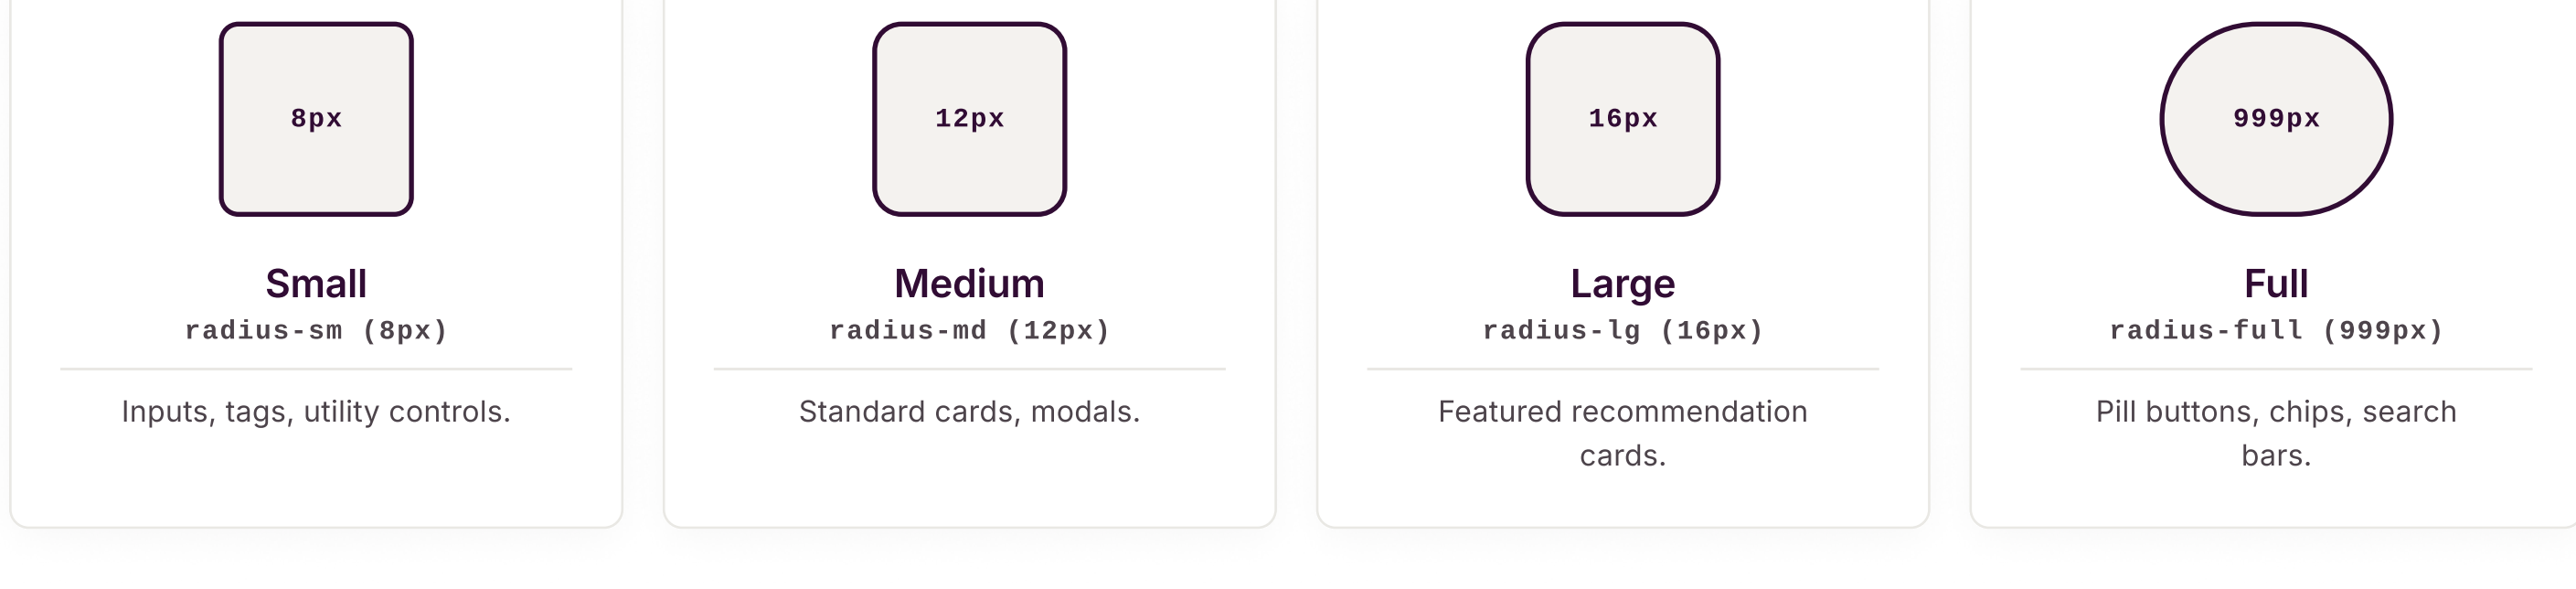

FOUNDATION 04

Border Radius Values

Four essential geometric curvature levels to guide tactile and touch affordance.

4 Canonical Tokens

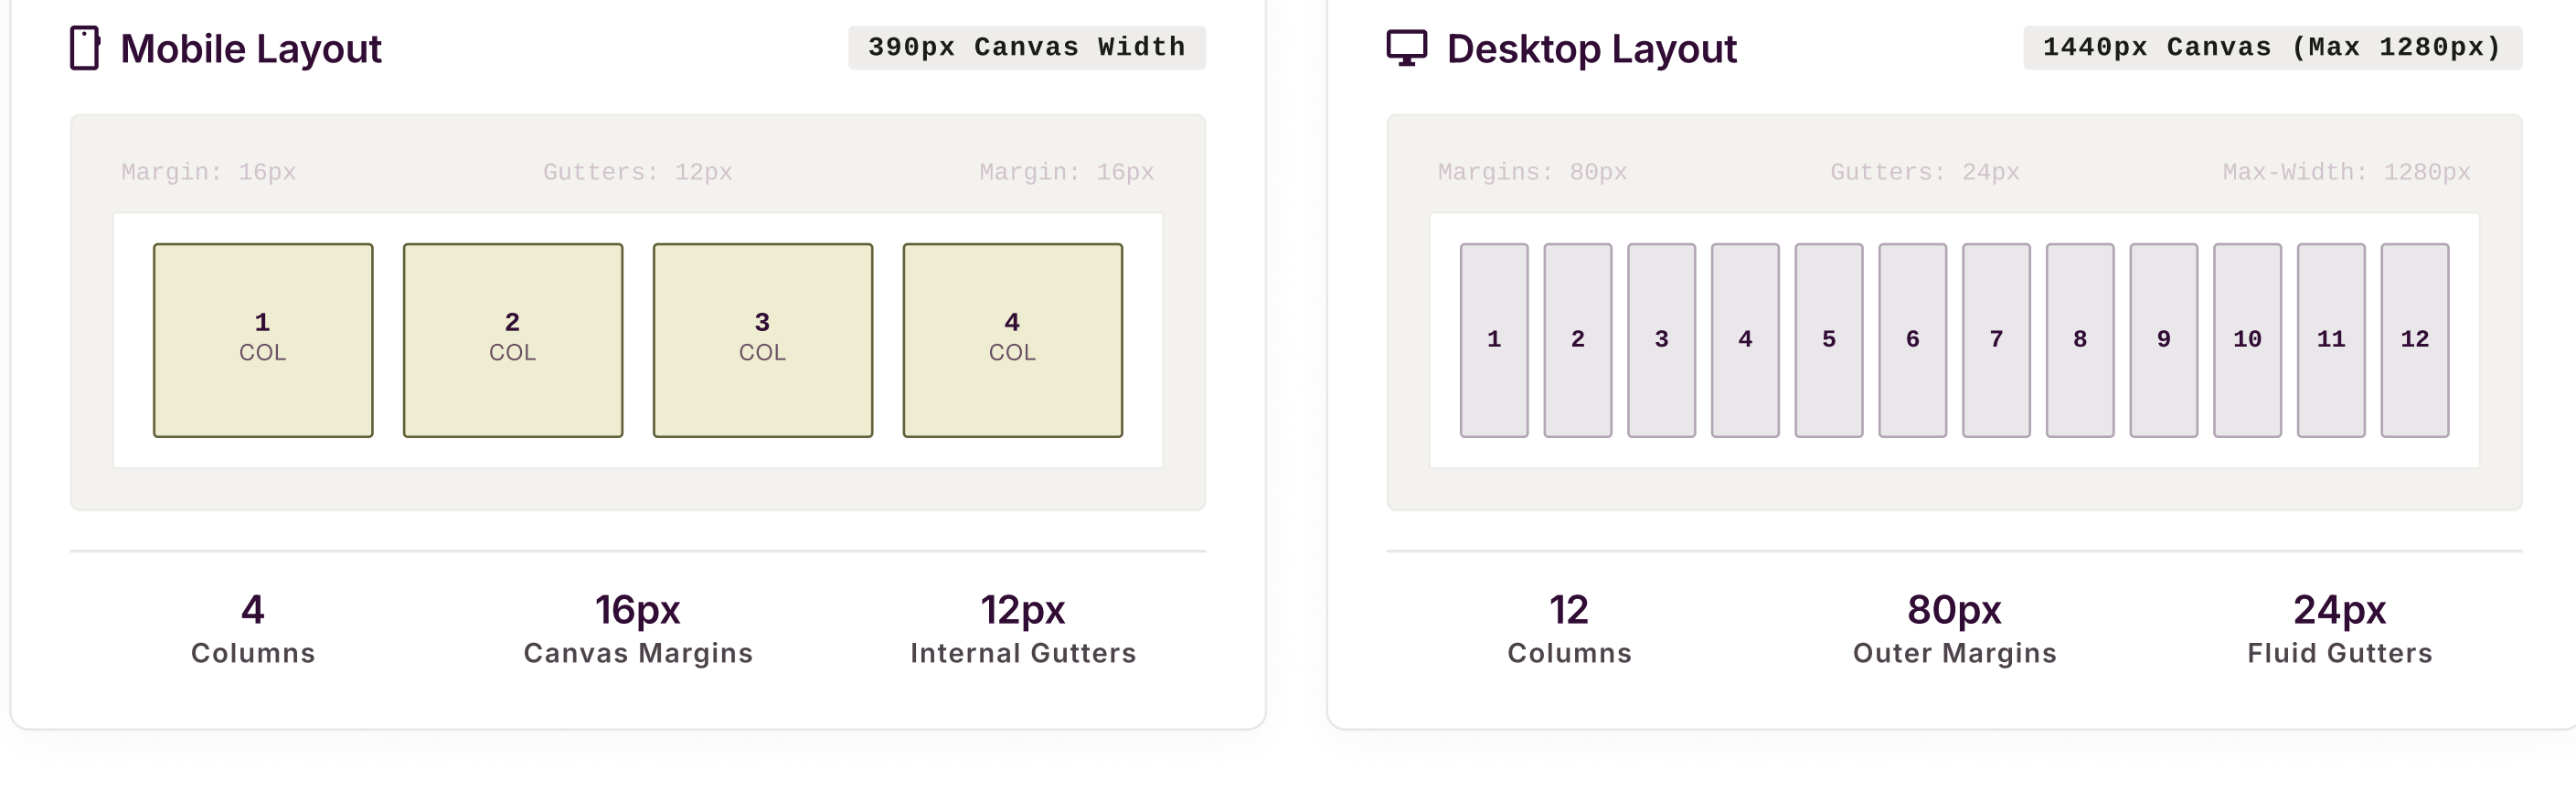

FOUNDATION 05

Responsive Grid Rules

Editorial fluid mechanics anchored to deliberate device viewports.

Dual Viewport Specifications

Components: Core UI Component Library

Reusable Auto Layout component library built for the Adorna accessory recommendation app.

Crafted with tactile luxury, editorial warmth, and strictly scaled tokens.
